

STUDENT BEHAVIOR GUIDELINES

Candidates are expected to *diligently, courteously and actively participate*. They are to come to class *fully prepared* as directed by their catechists. This means that they are to bring the required materials to their classes and are to complete the assigned readings and/or activities. We are very proud of the behavior of the young people in general who have been part of the program in the past. Should any behavior problems or inattentiveness arise, the following "Three strike Approach" will be used:

Strike One: The catechist will speak directly to the candidate as to the nature of the problem and what must be done in order to correct the situation. (the catechist will keep the Confirmation Coordinator of the situation)

Strike Two: If the situation continues, the catechist will notify the Confirmation Coordinator, who will meet with the candidate, his/her parents, and the catechist (if possible) to discuss what must be done to resolve the situation.

Strike three: If the situation persists, the catechist will notify the Confirmation Coordinator, who will in turn notify the Pastor and request that the candidate have another year of growth, in order to receive a sacrament.

(the catechist will inform the Confirmation Coordinator in every step)
