PENTECOST SUNDAY

Jesus said to his disciples: "When the Advocate comes whom I will send you from the Father, the Spirit of truth that proceeds from the Father, he will testify to me." - Jn 15:26

Pastor's Corner

“You will receive power when the Holy Spirit comes upon you.” Jesus’ words to us this last Sunday reveal his extraordinary intention for us as his people. Jesus wants to transform us by introducing something from beyond our scope, from beyond our own parameters.

Our culture assumes we have to live by our own efforts, that life is only as good as our ability allows us. As individuals and families attempting to live under that burden, we’re familiar with having our horizons collapsed to those secular restrictions.

In contrast, what our God intends for our parish here at Saint Isidore’s is an outpouring of grace, vision and inspiration through his limitless life flooding into each of our souls.

As we celebrate Pentecost today, God presents each of us with the challenge and question: will we continue to limp along by our own insights, with our vision defined by the chattering voices of the world around us, or will we open our hearts to a vigor, a joy, a strength from on high that dislodges us from the malaise of our world?

Hear the voice of Jesus as he promises transformation. Accept his call back to the life flowing from his pierced heart, from the intention of our Father. The Holy Spirit can flood you with power: do not remain separated from God’s grace.

Rincón Del Pastor

"Recibirás poder cuando el Espíritu Santo venga sobre ti." Las palabras de Jesús a nosotros este último Domingo revelan su extraordinaria intención para nosotros como Su pueblo. Jesús quiere transformarnos introduciendo algo que está más allá de nuestro alcance, de nuestros propios parámetros.

Nuestra cultura asume que tenemos que vivir por nuestro propio esfuerzo, que la vida es tan buena como nuestra capacidad nos lo permite. Como individuos y como familias que intentan vivir bajo esa carga, estamos familiarizados con el colapso de nuestros horizontes ante esas restricciones seculares.

En contraste, lo que nuestro Dios quiere para nuestra parroquia aquí en San Isidro es un derramamiento de gracia, visión e inspiración a través de su vida ilimitada que inunda cada una de nuestras almas.

Al celebrar hoy el Pentecostés, Dios nos presenta a cada uno de nosotros el desafío y la pregunta: ¿continuaremos cojeando por nuestras propias percepciones, con nuestra visión definida por las voces del mundo que nos rodean, o abriremos nuestros corazones ¿Un vigor, una alegría, una fuerza de lo alto que nos desaloja del malestar de nuestro mundo?

Escuche la voz de Jesús mientras promete transformación. Acepta Su llamado de regresar a la vida que brota de Su corazón traspasado, de la intención de nuestro Padre. El Espíritu Santo puede inundarte de poder: no te quedes separado de la gracia de Dios.

ST. ISIDORE SCHOOL

RUMMAGE SALE NEWS!

SAVE THE DATE-PURGE YOUR GARAGE AND CLOSETS!!

Our regularly scheduled Fall Rummage Sale has been

rescheduled for Friday, June 18-Saturday, June 19.

Drop off of items will take place on Thursday, June 17-Friday morning. Thank you to Angelica Nuno and Coco Carrillo for agreeing to Chair this event. More information regarding our recent accreditation visit.

Accreditation Factor #6:

The school uses educationally sound assessment processes to collect data. The school disaggregates and analyzes student performance data and uses the analysis as a basis for instructional/curricular improvement.

The Visiting Committee observed that St. Isidore is somewhat effective in data analysis to support high achievement of all students. STAR, ACT Aspire, Math Facts in a Flash, and Freckle data is referenced several times. While the self-study does not state evidence, the teachers described the informal ways the staff conferences on data. The school reports that their current level of data analysis has been sporadic and unfocused. The self-study references the collection and disaggregation of data including standardized tests, teacher created tests, and other tests and gives no evidence of how the data was used to drive educational decisions. However, the teachers spoke of the time set aside during staff meetings and the informal ways teachers meet to discuss the needs of students. The teachers referenced the need for more training and implementation of the PLCs as a means to properly analyze data, identify trends, and drive educational decisions. The Self-Study states, "Our current level of data analysis has been sporadic and unfocused."

This information is being shared in an effort to be transparent and to share how we undergo consistent self-evaluation. What was not shared in this statement was the fact that we included this accreditation factor in our Action Plan to improve student learning. This was a weakness we found ourselves and they simply validated that.

Tuition Rates for 2021-22 at St. Isidore Catholic School

Number of Children	*Annual Rate	*10 Month Rate	*11 Month Rate	*12 Month Rate
1	\$5007	\$500.70	\$455.18	\$417.25
2	\$3315	\$832.20	\$756.55	\$693.50
3 or more	\$2125	\$1044.70	\$949.73	\$870.58

*This does not include the annual Registration Fee of \$325 per child and annual Technology Fee of \$100 per child.

Factor de acreditación n. ° 6:

La escuela utiliza procesos de evaluación sólidos desde el punto de vista educativo para recopilar datos. La escuela desglosa y analiza los datos de desempeño de los estudiantes y usa el análisis como base para la mejora instructiva / curricular.

El Comité Visitante observó que St. Isidore es algo efectivo en el análisis de datos para apoyar el alto rendimiento de todos los estudiantes. Se hace referencia a los datos de los programas de STAR, ACT Aspire, Math Facts in a Flash y Freckle varias veces. Si bien el autoestudio no presenta evidencia, los maestros describieron las formas informales en que el personal se reúne con los datos. La escuela informa que su nivel actual de análisis de datos ha sido esporádico y desenfocado. El autoestudio hace referencia a la recopilación y desglose de datos, incluidas las pruebas estandarizadas, las pruebas creadas por el maestro y otras pruebas, y no da evidencia de cómo se utilizaron los datos para impulsar las decisiones educativas. Sin embargo, los maestros hablaron del tiempo reservado durante las reuniones de personal y las formas informales en que los maestros se reúnen para hablar sobre las necesidades de los estudiantes. Los maestros hicieron referencia a la necesidad de más capacitación e implementación de los PLC como un medio para analizar adecuadamente los datos, identificar tendencias e impulsar decisiones educativas. El estudio afirma: "Nuestro nivel actual de análisis de datos ha sido esporádico y desenfocado".

Esta información se comparte en un esfuerzo por ser transparentes y compartir cómo nos sometemos a una autoevaluación constante. Lo que no se compartió en esta declaración fue el hecho de que incluimos este factor de acreditación en nuestro Plan de Acción para mejorar el aprendizaje de los estudiantes. Esta fue una debilidad que encontramos y simplemente la validaron.

The History of the Five First Saturdays of the Month

On the 13th May 1917, Our Lady first mentioned devotion to her Immaculate Heart to the children of Fatima saying "You have seen hell, where souls of poor sinners go. To save them God wishes to establish in the world devotion to my Immaculate Heart. If what I say to you is done, many souls will be saved and there will be peace. Spiritual Attitude towards the devotion:

Our Lady promised that She would "assist at the hour of death, with the graces necessary for salvation" the souls who make the first five Saturdays. However, it is important that the desire to console Our Lady's Immaculate Heart by making reparation and growing in holiness is the main motivation for the practice. To underline this fact, Our Lord told Sr Lucia: "It is true, my daughter, that many souls begin the First Saturdays, but few finishes them, and those who do complete them do so in order to receive the graces that are promised thereby. It would please me more if they did Five with fervour and with the intention of making reparation to the Heart of your heavenly Mother, than if they did Fifteen, in a tepid and indifferent manner..." (15th February 1926)

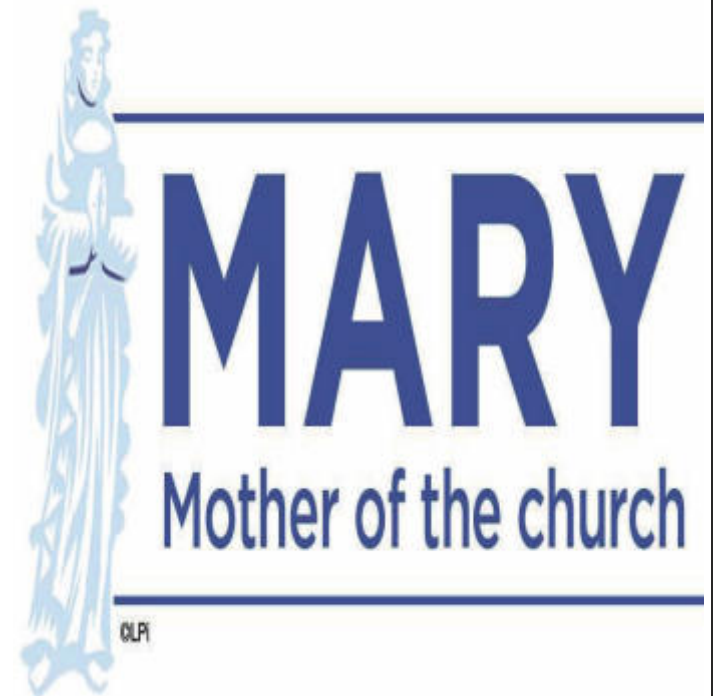

Why five Saturdays?

Our Lord told Sr Lucia that the 5 Saturdays represent the offences against the Immaculate Heart of Mary. "My daughter, the reason is simple. There are five types of offenses and blasphemies committed against the Immaculate Heart of Mary:

1. Blasphemies against the Immaculate Conception;
2. Blasphemies against Her Virginity;
3. Blasphemies against Her Divine Maternity, in refusing at the same time to recognize Her as the Mother of men;
4. The blasphemies of those who publicly seek to sow in the hearts of children, indifference, or scorn or even hatred of this Immaculate Mother;
5. The offenses of those who outrage Her directly in Her holy images.

Here, my daughter, is the reason why the Immaculate Heart of Mary inspired Me to ask for this little act of reparation.

(May 29, 1930)

Jesus made the following 12 promises to St. Margaret Mary in favor of those who consecrate to the Sacred Heart, in a spirit of reparation, the First Friday of each month.

Jesus made the following 12 promises to St. Margaret Mary in favor of those who consecrate to the Sacred Heart, in a spirit of reparation, the First Friday of each month.

1. I will give them all the graces necessary in their state of life.
2. I will establish peace in their homes.
3. I will comfort them in all their afflictions.
4. I will be their secure refuge during life, and above all, in death.
5. I will bestow abundant blessings upon all their undertakings.
6. Sinners will find in My Heart the source and infinite ocean of mercy.
7. Lukewarm souls shall become fervent.
8. Fervent souls shall quickly mount to high perfection.
9. I will bless every place in which an image of My Heart is exposed and honored.
10. I will give to priests the gift of touching the most hardened hearts.
11. Those who shall promote this devotion shall have their names written in My Heart.
12. I promise you in the excessive mercy of My Heart that My all powerful love will grant to all those who receive Holy Communion on the First Fridays in nine consecutive months the grace of final perseverance; they shall not die in My disgrace, nor without receiving their sacraments. My divine Heart shall be their safe refuge in this last moment.

The Church grants a Plenary indulgence to those who attend Mass and receive Communion in honor of The Sacred Heart of Jesus on the First Friday of each month for nine (9) consecutive months.

Our Mother of Perpetual Help

An invitation to everyone to pray every Wednesday after Noon Mass the Novena of Our Mother of Perpetual Help in asking for assistance and show our love for her. As long as we approach her as we do to her Son Jesus, we can count on her aid and guidance.

Mary's last spoken words in the Gospels concerned her Son when she said at the Wedding Feast of Cana. "Do whatever he tells you" (John2:5). She provides strength, comfort and even miracles to the faithful for centuries. If we persevere in our intention to do Christ's will for us, we are doing hers as well.

Family Faith Formation

Registration for next year will begin soon! Please call the office for an appointment to register your children for Family Faith Formation.

We are looking for people to help with our program next year. There will be a meeting on June 5th at 9:00am in the Assisi Room if you would like more information. We would love to see you there!

Formación de Fe Familiar

¡La inscripción para el próximo año comenzará pronto! Llame a la oficina para hacer una cita para inscribir a sus hijos en la Formación de Fe Familiar.

Buscamos personas que nos ayuden con nuestro programa el próximo año. Habrá una reunión el 5 de Junio a las 9:00 am en la Sala Asís si desea más información. Nos encantaría verte allí!
