18TH SUNDAY IN ORDINARY TIME

Jesus said to them, "Amen, amen, I say to you, it was not Moses who gave the bread from heaven; my Father gives you the true bread from heaven. For the bread of God is that which comes down from heaven and gives life to the world." - Jn 6:32-33

PASTOR'S CORNER

Can you let something new into your life? When we were kids, everything was new, everything was amazing. But most of us as adults arrived here by putting down limits of what life was about. Because of hurts or disappointments, because of failures or inabilities, we mapped out a limited confine of what our story would be.

But the same God who created you as a child is the God who rules the cosmos today, and he is bigger than your template. Sunday morning we will read from Exodus 16, and it describes the Israelites in the desert, collapsing from hunger. We are crashing into our limits, and God breaks in. Through Moses, God shares with the Israelites new nourishment, food from heaven.

And with this incredible gift, the Israelites were able to allow something new into their lives. Not knowing it from previous experience, they asked, "What is this?" In Hebrew, that phrase is 'man-hu', the origin of the word manna, the name given to the miraculous 40 year nourishment.

If God wants to give you a gift, would you allow in something new? Would you be willing to ask what is this new thing, that doesn't match my rules?

In John 6 we hear on Sunday Jesus confirm that the way God wants to bless us is to introduce something from outside our experience: "For the bread of God is that which comes down from heaven and gives life to the world." You will have to be willing to accept something from beyond you, for God to change your life.

Rincón Del Pastor

¿Puedes dejar que algo nuevo entre en tu vida? Cuando éramos niños, todo era nuevo, todo era increíble. Pero la mayoría de nosotros, como adultos, llegamos a este punto poniendo límites a la vida. Debido a heridas o decepciones, debido a fallas o incapacidades, trazamos un límite de lo que sería nuestra historia.

Pero el mismo Dios que te creó cuando eras niño es el Dios que gobierna el cosmos de hoy, y es más grande que tu modelo. El Domingo por la mañana leeremos de Éxodo 16, y describe a los Israelitas en el desierto, colapsando de hambre. Estamos chocando contra nuestros límites y Dios irrumpe. A través de Moisés, Dios comparte con los Israelitas un nuevo alimento, comida del cielo.

Y con este increíble regalo, los Israelitas pudieron permitir algo nuevo en sus vidas. Sin saberlo por experiencia previa, preguntaron: "¿Qué es esto?" En Hebreo, esa frase es "man-hu", el origen de la palabra maná, el nombre dado a la nutrición milagrosa de 40 años.

Si Dios quiere darte un regalo, ¿permitirías algo nuevo? ¿Estaras dispuesto a preguntar qué es esto nuevo que no coincide con mis reglas?

En Juan 6 escuchamos el Domingo a Jesús confirmar que la forma en que Dios quiere bendecirnos es introduciendo algo externo a nuestra experiencia: "Porque el pan de Dios es aquel que desciende del cielo y da vida al mundo". Tendrás que estar dispuesto a aceptar algo que está más allá de ti, para que Dios cambie tu vida.

RIGHT TO LIFE

Roe v. Wade

Most Heinous Law High Court Ever Passed Roe vs. Wade is the most controversial and heinous law our Supreme Court has ever passed. There is nothing that can justify abortion. Many of our fellow Americans are blind to the facts of the growth of a baby in a mother's womb. At day one of conception, Life begins:

- At 17 days the baby has its own blood cells
- At 19 days, the eyes start to develop
- At 24 days, the heart beats regularly
- At 28 days, the arms and legs are forming
- At 30 days, the ears, nose and nasal tract Begin to form
- At 42 days, the skeletal system is complete, the reflexes are present, the nervous system is in place and baby can feel pain - the terrible pain of abortion.

If loved by its mother, the baby continues to grow and develop in all ways. The stomach, liver, kidneys and brain can function by 56 days and the arms and legs move and the baby can suck its thumb by 12 weeks and can cry by 18 weeks.

If the medical facts are not enough to convince you of life in the womb, I recommend reading the story, in the Bible of the Blessed Virgin Mary's Visitation to her cousin Elizabeth who was six months pregnant with John the Baptist. When Elizabeth heard the greeting of Mary, the Bible says, 'the babe in her womb leapt for joy.' This is biblical! Scripture did not say fetal tissue in her womb - it said, the babe in her womb leapt for joy.' Little boys and girls can leap for joy. Tissue does not leap.

Our country has slipped morally. We can still right this terrible wrong. We must! We need to heal our country and restore it to its Christian principles. Even with our mistakes, we are still the greatest country on the face of the Earth.

Roe v. Wade

La Corte Suprema más atroz de la ley ha pasado Roe vs. Wade es la ley más controvertida y atroz que nuestra Corte Suprema ha aprobado. No hay nada que pueda justificar el aborto.

Muchos de nuestros conciudadanos estadounidenses son ciegos a los hechos del crecimiento de un bebé en el útero de una madre. En el primer día de la concepción, la vida comienza:

- A los 17 días, el bebé tiene sus propias células sanguíneas.
- A los 19 días, los ojos comienzan a desarrollarse.
- A los 24 días, el corazón late regularmente
- A los 28 días, se forman los brazos y las piernas.
- A los 30 días, los oídos, la nariz y el tracto nasal comienzan a formarse.
- A los 42 días, el sistema esquelético está completo, los reflejos están presentes, el sistema nervioso está en su lugar y el bebé puede sentir dolor, el terrible dolor del aborto.

Si es amado por su madre, el bebé continúa creciendo y desarrollándose en todos los sentidos. El estómago, el hígado, los riñones y el cerebro pueden funcionar a los 56 días y los brazos y las piernas se mueven y el bebé puede chuparse el pulgar a las 12 semanas y puede llorar a las 18 semanas. Si los datos médicos no son suficientes para convencerte de la vida en el útero, te recomiendo leer la historia, en la Biblia de la Visitación de la Santísima Virgen María, a su prima Isabel, que estaba embarazada de seis meses de Juan el Bautista. Cuando Elizabeth escuchó el saludo de María, la Biblia dice: "el bebé en su vientre resaltó de alegría". ¡Esto es bíblico! Las Escrituras no decían tejido fetal en su útero; decía que el bebé en su útero saltó de alegría ". Los niños y niñas pequeños pueden saltar de alegría. El tejido no salta.

Nuestro país ha caído moralmente. Todavía podemos corregir este terrible mal. ¡Debemos! Necesitamos sanar a nuestro país y restaurarlo a sus principios cristianos. Incluso con nuestros errores, seguimos siendo el país más grande en la faz de la Tierra.
