PASTOR'S CORNER

Happy Easter!

What a gift to gather as the family of God as he shines radiant light from on high, beaming upon us in the risen face of his Son!

Easter is our time of discovering that we belong: we belong to the family of God, and nothing can cast us out, not even sin, not even death. Before Jesus' bloody combat, before his confrontation of Satan and the storming of his realm, we were under the curse that the serpent had effectively brought upon us. As Satan accused us as outsiders, rejects, condemned, all of his attacks hit to the heart. We truly were orphans in our rejection of God our creator.

Jesus rises today from the dead to refute the accusation of Satan, not just with his word but with his deeds. With his own blood poured out on Calvary, Jesus made us a part of the family. He washed away the sentence of condemnation against us, and allowed us to hear the voice of the Father again.

Easter: the discovery that the word spoken over us is a word of blessing, a word of adoption. **Easter:** Jesus cancels the assaults of Satan so they are left as lies and empty threats. **Easter:** God the Father floods the world with life in his most beloved Son, a Son who brings us home.

¡Felices Pascuas!

¡Qué regalo el reunarnos como la familia de Dios mientras él hace brillar una luz radiante desde lo alto, resplandeciendo sobre nosotros en el rostro resucitado de su Hijo!

La Pascua es nuestro tiempo de descubrir que pertenecemos: pertenecemos a la familia de Dios, y nada puede echarnos fuera, ni siquiera el pecado, ni siquiera la muerte. Antes del combate sangriento de Jesús, antes de su confrontación con Satanás y el asalto de su reino, estábamos bajo la maldición que la serpiente efectivamente había traído sobre nosotros. Como Satanás nos acusa como extraños, rechaza, condena, todos sus ataques golpean el corazón. Verdaderamente éramos huérfanos en nuestro rechazo a Dios nuestro creador.

Jesús resucita hoy de entre los muertos para refutar la acusación de Satanás, no solo con su palabra sino con sus obras. Con su propia sangre derramada en el Calvario, Jesús nos hizo parte de la familia. Él lavó la sentencia de condenación contra nosotros y nos permitió escuchar la voz del Padre nuevamente.

Pascua: el descubrimiento de que la palabra dicha sobre nosotros es una palabra de bendición, una palabra de adopción. **Pascua:** Jesús anula los ataques de Satanás para que queden como mentiras y amenazas vacías. **Pascua:** Dios Padre inunda de vida el mundo en su Hijo amadísimo, un Hijo que nos lleva a casa.

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Leave It in the Tomb

Today, on the most important day of the
liturgical year, the Apostle Paul is calling us out.

“I see you hiding in that tomb,” he says. “I see
you baking with that old, stale yeast, thinking
no one will notice.”

He says it a little more elegantly, I’ll grant you.
But the message is this: If you want to be raised
with Christ, you’d better be ready to step out of
the shadows. Seek what is above — not what is
on earth.

I can feel myself responding almost reflexively,
“Great idea, Paul — but I’m pretty comfy
here.” Because sometimes, it’s just easier to stay
in the tomb. It’s easier to crouch in the shadows
and look outward at everyone else, thinking of
the changes they could make or the sins they
could overcome.

Today we are called to embrace newness. New
hearts, new lives, new futures, new chances. If
there’s anything keeping you from that, you
need to leave it in the tomb. It’s a little scary,
sure — maybe Jesus thought so before he
stepped into the light of that first Easter
morning. But no loaf of bread worth eating was
ever baked using stale yeast that wouldn’t rise.
No new life worth having was ever lived
through the broken sins of yesterday. No Easter
morning ever dawned without the tomb sitting
empty.

Light. He is waiting for you.

MEMENTO VIVERE

[The convert] begins to realise that it is the secular world that spoils the sense of words; and he catches an exciting glimpse of the real case for the iron immortality of the Latin Mass. It is not a question between a dead language and a living language, in the sense of an everlasting language. It is a question between a dead language and a dying language; an inevitably degenerating language.
